

SPECIFICATION SHEET

This crystal chandelier is the pinnacle of luxury and sophistication. Crafted in stainless steel and adorned with a gold finish, this masterpiece exudes opulence at every glance. The clear crystals gracefully refract the light, casting a mesmerising pattern in your space.

Whether it's a single, double or multi-tiered design, the diameter and height of the chandelier can be customised to suit your needs. Ideal for spaces with ceilings higher than 4.3 metres, this chandelier will draw the eye and enhance any environment.
